

4th International School and Conference
on Optoelectronics, Photonics, Engineering and Nanostructures

«Saint Petersburg OPEN 2017»

Saint Petersburg, April 3 – 6, 2017

Dear Colleagues,

We kindly invite all the undergraduate, graduate and PhD students to attend *International School and Conference “Saint Petersburg OPEN 2017”* which is chaired by Nobel Prize laureate in Physics (2000), academician **Zhores I. Alferov**. The Conference will be hosted by *St Petersburg Academic University*. All accepted proceedings will be published in Conference Theses Book free of charge. Extended version can be published in **IOP Journal of Physics: Conference Series** cited in *Web of Knowledge, Scopus, eLIBRARY* and other scientific databases.

Keynote speakers:

Alexey Toropov (*Ioffe Physical Technical Institute RAS, Russia*)

Leonid Karachinsky (*Connector Optics LLC, Russia*)

Sergei Alexandrov (*Peter the Great St Petersburg Polytechnic University, Russia*)

Sergey Morozov (*Institute for Physics of Microstructures RAS, Russia*)

Ursula Keller (*Swiss Federal Institute of Technology Zurich, Switzerland*)

Alexander Marmaluk (*JSC M. F. Stelmakh Research Institute “Polyus”, Russia*)

Nika Akopian (*Technical University of Denmark, Denmark*)

Anatoly Evstrapov (*Institute for Analytical Instrumentation RAS, Russia*)

Seppo Honkanen (*University of Eastern Finland, Finland*)

Important dates:

Abstract submission deadline: February 19, 2017

Plenary and poster sessions: April 3-6, 2017

<http://spbopen.spbau.com/>

The conference carries on the tradition of annual conferences at *St Petersburg Academic University* will be sponsored this year by *St Petersburg Academic University, Peter the Great St. Petersburg Polytechnic University, Russian Foundation for Basic Research, The Optical Society (OSA) and the International Society for Optics and Photonics (SPIE)*.
