

6<sup>th</sup> International School and Conference  
on Optoelectronics, Photonics, Engineering and Nanostructures

# «Saint Petersburg OPEN 2019»

St Petersburg, April 22-25, 2019

Dear Colleagues,

We kindly invite all the undergraduate, graduate and PhD students to attend *International School and Conference "Saint Petersburg OPEN 2019"* which is chaired by Nobel Prize laureate in Physics (2000) academician **Zhores I. Alferov**. The Conference will be hosted by *St Petersburg Academic University*.

All accepted proceedings will be published in Conference Theses Book free of charge. Extended version can be published in **IOP Journal of Physics: Conference Series** cited in *Web of Knowledge, Scopus, eLIBRARY* and other scientific databases.

### Keynote speakers:

**Victor Ustinov** (*Institution for Microelectronics Research and Engineering RAS, Russia*)

**Alexey Zhukov** (*St Petersburg Academic University, Russia*)

**Sergey Kukushkin** (*Institute for Problems in Mechanical Engineering, Russia*)

**Ivan Mitropolsky** (*St. Petersburg Nuclear Physics Institute "Kurchatov Institute", Russia*)

**Alexei Kuzmin** (*University of Latvia, Latvia*)

*SPb POEM invited conference speakers*

<http://spbopen.spbau.com/>

### Important dates:

Application due date: March 17, 2019

Plenary and poster sessions: April 22-25, 2019

In 2019 *Saint Petersburg OPEN* is paired with *International Conference "SPb Photonic, Optoelectronic, & Electronic Materials" (SPb POEM, April 25-27, 2019)* organized by the Royal Microscopic Society (RMS): [www.spb-poem.com](http://www.spb-poem.com). All participants of SPb OPEN are invited to join the audience of SPb POEM as listeners.

The conference carries on the tradition of annual conferences at *St Petersburg Academic University* will be sponsored this year by *Peter the Great St. Petersburg Polytechnic University, and the International Society for Optics and Photonics (SPIE)*.
